A MONTH OF PURPOSE · PART 1 OF 4

Find Your Purpose

Isaiah 2:4 · Psalm 139:13

1

THE BIG IDEA

Tearing down what's broken is sometimes necessary. It is never the **goal**. Building something **better** is the goal.

ISAIAH 2:4

“They shall beat their swords into plowshares, and their spears into pruning hooks; nation shall not lift up sword against nation, neither shall they learn war anymore.”

PSALM 139:13

"You created my inmost being; you knit me together in my mother's womb."

01 WHAT IT MEANS

Isaiah preached to a nation under real **threat**. Beating swords into plowshares turns instruments of war into instruments of **growth**.

02 WHAT IT MEANS

We’re all born with a **sword** in our spirit. As adults it shows up as outrage, criticism and comparison.

“

Nobody teaches a child how to destroy. It comes naturally.

Benjamin Windle · A Month of Purpose

03 WHAT IT MEANS

A sword alone can’t **build** a house, grow a family or heal a neighborhood.

04 WHAT IT MEANS

"Knit together" is a **weaving** image. You were crafted, by **name**, not stamped off an assembly line.

“You were knit together, by name, on purpose. That’s not pressure. That’s permission.
